Createspace, United States, 2010. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.By this time, most people know that Mohammed Ulyses Fips was Hugo Gernsback. What fewer people realize is that Hugo Gernsback was also Mohammed Ulyses Fips! The intriguing thing about all of the Fips inventions was that there was -- through all of them -- an undertone of practicality, and several have indeed seen the ultimate light of day as practical inventions in later years. Hugo Gernsback was an inventor, an innovator, and a force in his industry. He founded the electronics publishing industry and at one time, was perhaps best known as publisher of science fiction. The Fips stories presented here are only one facet of this multi-faced individual, and one is at loss for suitable words to pay proper homage to this genius, this giant among men who undoubtedly has left his indelible footprints in the sands of time.
