

Customer Equity Analyses

By Kay-Oliver Bunn

GRIN Verlag Apr 2009, 2009. Taschenbuch. Book Condition: Neu. 214x149x17 mm. This item is printed on demand - Print on Demand Neuware - Diploma Thesis from the year 2008 in the subject Business economics - Marketing, Corporate Communication, CRM, Market Research, Social Media, grade: 1,7, University of Applied Sciences Essen, language: English, abstract: Corporate management today is exposed to an area of conflict that allows only limited latitude. On the one hand, top management is regularly faced with the company owners' requests for an appropriate return on equity or Shareholder Value, a request that executives of public companies are mostly obliged to by contract: 'Corporate Mission Statements proclaiming the responsibility of management is to maximize shareholder's total return via dividends and increases in the market price of the company's shares around.' On the other hand, increasingly mature and well informed customers demand more and more customized goods for their individual requirements and are often known to change their buying behavior quickly. This behavior forces many organizations to an uncompromising orientation towards Customer Value, and a strict customer focus in both corporate planning and management, in order to further develop competitive advantages and to satisfy and retain valuable customers. This is...
