*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).*

## GRAPES OF WRATH (PAPERBACK)

Penguin Publishing Group, United Kingdom, 2006. Paperback. Book Condition: New. annotated edition. 193 x 130 mm. Language: English . Brand New Book. The Pulitzer Prize-winning epic of the Great Depression, a book that galvanized and sometimes outraged millions of readers. First published in 1939, Steinbeck's Pulitzer Prize-winning epic of the Great Depression chronicles the Dust Bowl migration of the 1930s and tells the story of one Oklahoma farm family, the Joads driven from their homestead and forced to travel west to the promised land of California. Out of their trials and their repeated collisions against the hard realities of an America divided into Haves and Have-Nots evolves a drama that is intensely human yet majestic in its scale and moral vision, elemental yet plainspoken, tragic but ultimately stirring in its human dignity. A portrait of the conflict between the powerful and the powerless, of one man's fierce reaction to injustice, and of one woman's stoical strength, the novel captures the horrors of the Great Depression and probes into the very nature of equality and justice in America. At once a naturalistic epic, captivity narrative, road novel, and transcendental gospel, Steinbeck's powerful landmark novel is perhaps the most American of American Classics. This Penguin Classic edition contains an introduction and notes by Steinbeck scholar Robert Demott. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
