Excerpt: . . . PREFACE The scope of this book is fairly shown by the title and the table of contents. The plan of quoting, as much as is done, from the state constitutions was adopted after some hesitation. It was finally chosen because in the study of cases it is often useful to know the exact words of the constitutional provision under discussion. It is not pretended that these quotations are exhaustive; but they are thought to be fairly complete. The need for such a work as this and its possibilities of usefulness must be determined by the reader. James M. Gray. 189 Montague St. . Brooklyn, March 1, 1906. CHAPTER XXTn.
