The Pamphleteers: The Birth of Journalism (Paperback)

By James A. Oliver

Information Architects, United Kingdom, 2010. Paperback. Book Condition: New. 198 x 126 mm. Language: English . Brand New Book. **OVERVIEW** The Pamphleteers is an investigation into the early journalism. In an era long before the advent of the periodical press, the pamphleteers were the world's proto-journalists. As a paper platform for a spectrum of religious fanatics, eccentrics, social reporters and satirists, the pamphlet evolved as a weapon of propaganda (forged between the fledgling press and the censorship of the Star Chamber) for powerful vested interest groups, political parties, governments - and revolutionists. The Gutenberg press of the Renaissance provided the spark and the sixteenth century Reformation the explosive fuel for the pamphleteering phenomenon. As the pamphlet form took root, then so English prose evolved from its antique form to embrace an extraordinary spectrum of literary techniques and styles from cod-polemic to ferocious satire, and beyond. In times of religious ferment, civil war, colonial unrest and revolution, such texts - risky or even dangerous to publish - were as often the product of secret presses and anonymous authors. At the other exposure, there were those who encountered that risk - and found notoriety or lasting fame along the way. In...

Reviews

Certainly, this is actually the greatest job by any publisher. It is really simplistic but shocks within the 50 % of the pdf. I am just happy to tell you that this is the very best ebook i have read in my own lifestyle and may be he greatest ebook for actually.
