Paperback. Book Condition: New. Paperback. 95 pages. Reviews: 101 English Garden Tips is a fun, fine book, liberally packed with a wealth of wise, useful garden know-how. --Thomas Leo Ogren, author of Allergy-Free Gardening, Safe Sex in the Garden, from Ten Speed Press, and Random House 101 English Garden Techniques is chock full of essential information, broken down into logical, manageable chunks. --Ellen Zachos, author of Down and Dirty: 43 Fun and Funky First-Time Projects and Activities to Get You Gardening (Storey Publishing) Its packed with plenty of tips on every aspect of gardening, from chocolate gardens to how to protect roses from winter kill. ---Doreen G. This style of garden brings many surprises along the way, from new plants grown from seeds dropped by visiting birds or created by nature doing the cross pollination to self-seeding plants that pop up in new locations. Writing this book has been a labor of love. It is my wish for you, the reader that you will discover tips and tricks to help...
