Blessed is a compelling collection of stories that are true reminders of the everyday blessings that surround us a reminder to take a deep breath and appreciate the things that bring us joy. Whether sitting in front of the fire at her snow-covered cottage high in the mountains of her Vermont hometown, laughing with friends on the porch of a bungalow near the sea in California, gardening, baking or knitting, award-winning author Ellen Michaud offers an intimate glimpse into daily peaceful moments that frequently go unnoticed. Given the chaotic world through which it has traveled over the centuries, the answers are pretty obvious. The thing is, it survived. And I'm willing to bet that despite the fire, brimstone, and bullets that circle our planet today, this glowing little teapot and the women who travel with it will survive into the future as well. (Excerpt from The Teapot) The Courage to Change: After a lifetime of self-built barriers, the author's 88-year-old aunt overcomes discouraging memories and years...
