Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Over time, the Corps has also seen fluctuations in its appropriations and obligations, staffing levels, and workload. For example, although the Corps had relatively stable appropriations and obligations for fiscal years 2000 through 2004, subsequent years have shown more variability in 10 funding (see fig. 3 and fig. 4). In recent years, some of this variability is a result of supplemental funding that has been provided to the Corps for expenses related to the consequences of Hurricanes Katrina and Rita in 2005. According to a senior Corps budget official, funding has also been directed to expenses related...
