

## Adolescence in the Catcher in the Rye and Vernon God Little - A Comparison

Filesize: 8.27 MB

### ***Reviews***

*It is one of the best publications. It is definitely simplistic but exciting in the 50 % in the eBook. I am very happy to let you know that this is basically the greatest publication I have got to go through within my own existence and could be the greatest PDF for ever.*

## ADOLESCENCE IN THE CATCHER IN THE RYE AND VERNON GOD LITTLE - A COMPARISON

GRIN Verlag. Paperback. Book Condition: New. Paperback. 32 pages. Dimensions: 8.3in. x 5.8in. x 0.1in. Seminar paper from the year 2011 in the subject English - Literature, Works, grade: 1, 0, University of Frankfurt (Main) (Amerikanistik), course: 20th Century AdolesScenes, language: English, abstract: The term adolescence describes the phase of life between late childhood and adulthood. It contains not only the physical maturation but particularly the psychological and mental development from a child to an autonomous, responsible adult. Also literature has ever and anon created adolescent protagonists who have to deal with typical problems of coming of age. A prime example for such a novel of initiation is The Catcher in the Rye. This novel nearly fulfils all aspects a novel of initiation has to deal with. Although The Catcher in the Rye was published sixty years ago, it still finds general approval to people all over the world. Another very successful novel of initiation is DBC Pierres Vernon God Little which was written in 2003 and won the Man Booker Prize in the same year. The Daily Mail described the 15-year old protagonist Vernon Gregory Little as one of the most engaging narrators since Catcher in the Ryes Holden Caulfield<sup>1</sup> and Sam Sifton from the New York Times says that Vernon Gregory Little is a Holden Caulfield on Ritalin<sup>2</sup>. There is no doubt that these two novels have considerable similarities: In both novels, the main character is a male adolescent who tells his story as a first person narrator. Both stories have their sets in the United States and both deal with issues concerning adolescence. I want to research which further similarities these two books have, in particular concerning adolescence. Therefore I am going to take a deeper look into typical issues these two adolescents have to deal with. First...
