Jazz Philharmonic: Cello (Paperback)

By Bob Phillips, Randy Sabien

Alfred Publishing Co., Inc., United States, 2000. Paperback. Book Condition: New. 302 x 226 mm. Language: English . Brand New Book. String teachers can now introduce the world of jazz to beginning through advanced students with this fantastic new series from Randy Sabien and Bob Phillips. Using an innovative approach that has been well-tested in public schools and clinics around the world, Jazz Philharmonic contains a collection of original tunes that can be taught equally well in class or private lessons. Each unit contains a tune, written-out solos, backgrounds, bass lines, and parts for piano and percussion. Teachers can develop their own rhythm sections or use the play-along CD, featuring jazz artist Randy Sabien and his band, as a performance accompaniment. Beginning improvisation is developed through the use of preparatory pages and aural echoes on the CD. Students and teachers alike will love learning to play these motivational and hip jazz originals, each set up so that improvisation is possible, but not required, for a successful performance. Introduce your entire string orchestra to the excitement of traditional folk fiddling with this fun and motivating series by internationally respected educators Andrew Dabczynski and Bob Phillips. Arranged in order of difficulty, each of...
