Isi Books, United States, 2003. Paperback. Book Condition: New. New.. 190 x 140 mm. Language: English . Brand New Book. The American Cause explains in simple yet eloquent language the bedrock principles upon which America s experiment in constitutional self-government is built. Russell Kirk, whose life and thought has recently been featured in C-SPAN s acclaimed American Writers series -- intended this little book to be an assertion of the moral and social principles upholding our nation. Kirk s primer is an aid to reflection on those principles -- political, economic, and religious -- that have united Americans when faced with challenges and threats from the enemies of ordered freedom. In this new age of terrorism, Kirk s lucid and straightforward presentation of the articles of American belief is both necessary and welcome. Gleaves Whitney s newly edited version of Kirk s work, combined with his insightful commentary, make The American Cause a timely addition to the literature of liberty.
