### ***Reviews***

*This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
*(Dylan Schaden)*

## ADULT PIANO METHOD BOOK 2

Hal Leonard Corporation, United States, 2005. Book. Book Condition: New. 300 x 229 mm. Language: English . Brand New Book. (Educational Piano Library). The Adult Piano Method Book 2 begins with a brief review of concepts covered in Book 1, then proceeds step-by-step through 5-finger patterns in C, G, and F all the way through to major scales in the keys of C, G, and F and their related scales A, E and D minor. Just as in Book 1, the imaginative and entertaining music found throughout Book 2 makes learning a pleasure and a key factor for student success. Great solos emphasize and support the introduction of new concepts in logical, steady sequence. These enticing solos encourage students to move ahead, and they are rewarded with two great arrangements from every adult s Top Ten list: The Entertainer, and Fur Elise. Improvs, Quick Licks, Ad Libs, Sight Reading, and Technique Tips sprinkled throughout focus on using new skills and add musical fun along the way. Online audio accompaniments are by Phillip Keveren.
