NAZI GOLD (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Investigative journalist Sam Cleave finds himself running from the site of an execution he barely escapes. Chased by a sinister militia captain with Nazi roots and a penchant for setting dogs on his targets, he has to stay alive long enough to deliver the damning evidence on his camera to the authorities. His long time friend, Dr. Nina Gould, is contracted by a Czech anthropologist and heiress to search for a lost Nazi treasure stolen from her family and taken to Romania, and she invites Sam to join them on their excursion. They learn that the item is a deck of tarot cards from antique Prague, said to have the ability to alter time and space to the will of the person who lays out the spread, thus undoing history and reshuffling physics to change the world to suit whomever owns the deck - therefore an invaluable treasure to the Order of the Black Sun Nazi organisation. Their pursuit of the item leads them to Sam Cleave, already on their hit list, but what they do not know is that their employer, a secret member of the Black Sun, has other plans for the evil tarot cards. She employs the talents of a 10 year old homeless street thief to help her attain power by teaching him how to work the tarot. While Sam and Nina help their Czech employer to locate the cards, they are subjected to the inexplicable and ominous forces of the Hoia Baci forest of Transylvania, reputed to be the most haunted forest in the world. It was here where the last owner of the deck met his end, so they have to enter...
