Word Dancer Press. Paperback. Book Condition: New. Paperback. 168 pages. Dimensions: 8.3in. x 5.4in. x 0.5in. California Gold Country historian George Hoeper reveals what promises to be the final piece to the 100-year-old puzzle of the infamous stagecoach robber Black Bart. For over eight years the mysterious and very polite Charles Boles (alias Black Bart) plagued Wells Fargo and Co. with a string of at least 28 stagecoach robberies. During this time, Bart, who operated on foot with an unloaded shotgun and never robbed stagecoach passengers or drivers, soon became something of a folk legend. Between robberies Bart would live the life of a boulevardier in San Francisco, hobnobbing with the city's best. In 1888 he disappeared from the Palace Hotel in Visalia, CA, never to be heard from again. Speculation has placed Bart in many places, including the Eastern Seaboard, Mexico and Japan, but according to information Hoeper has uncovered, it is more likely the legendary Black Bart met his demise in the dry Nevada wasteland and today rests in a sandy, unmarked grave. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
