Filesize: 2.62 MB

Reviews

A really wonderful book with perfect and lucid information. I actually have study and i am sure that i am going to gonna read through once more yet again in the future. I am pleased to explain how this is actually the finest ebook we have study inside my personal daily life and might be he finest book for at any time.

(Kristy Stroman)

CURING COURTNEY: DOCTORS COULDN'T SAVE HER. SO HER MOM DID (PAPERBACK)

Manifesting Life Publishing, United States, 2012. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Curing Courtney is the empowering true story of a mother and daughter's triumph over the deadly autoimmune hepatitis that threatened to take the life of 7-year-old Courtney. After five years of treatment by some of the best pediatric hepatologists in New York City, the doctors told Courtney's mom, The meds aren't working. The next step for 12-year-old Courtney was a leukemia-type drug and a possible liver transplant. Frustrated and angry that the doctors had stolen Courtney's childhood with their standard protocol that failed and the side-effects of high doses of prednisone which made little Courtney overweight and excessively hairy, Denise Otten took it upon herself to find an alternative treatment. Thanks to scientifically proven nutraceuticals and vitamins, plus a baseball autographed by Yankees star Derek Jeter, Courtney went into remission in a matter of months and is now a slim, beautiful, teenage athlete.
