BEDFORD BOOKS, United States, 2013. Paperback. Book Condition: New. 282 x 216 mm. Language: English . Brand New Book. Using methods he developed through grant-funded research, award-winning instructor Chris Juzwiak has documented a 15 increase in basic writers success rates on his campus. These methods serve as the foundation for *Touchstones*, a paragraph-to-essay level book that begins with a focus on academic paragraphs and essays, then moves to higher-level skills such as using precise language and working with sources. Like *Stepping Stones*, Juzwiak s book for the sentence-to-paragraph level, *Touchstones* includes scaffolded exercises and instruction, color-coded parts of speech, and creative activities that keep students engaged. By moving progressively from simple to more complex skills in each part of the book and in each chapter *Touchstones* ensures that all students feel confident in what they re learning and empowered to continue.
