Brand New Book ***** Print on Demand *****.I was rapidly dying from stage 4 Liver Cancer Metastasized into my Pancreas and Left Kidney. My body was shutting down and I was sick and weak. Faced with a certain death, my wife and I were researching to find something. anything to get this mess out of me! We researched all over the world, examining each treatment and mainly the cure claim percentage rate! The photo on the left is about 3 1/2 weeks into my cancer extraction using the salves. The Salve advanced into my body drawing pints of dissolved cancer cells in just 7 weeks. The right photo was the start of the 7th week...
