IF YOU HAVE EARS. TRUE LOVE. REAL RELATIONSHIPS. (PAPERBACK)

Need2mpress, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.All of a sudden it seems everyone is an expert on Love and Relationships. And it doesn't seem to matter how many times you've failed at your relationships in the past, just call yourself an expert and the world beats a path to your door. For the life of me I just don't understand how failing at something makes you an expert? Any fool can tell you what doesn't work, it takes someone who's actually done it to tell you what does. So, let me be clear right up front, I don't have all the answers. Love and Relationships may very well be the single most misunderstood and easily distorted topic in history. So if you are looking for the answers they may not be found in this book. However, you will find mind shifting, in your personal space, perspectives on love and relationships that will clearly and unapologetically call you out by name. Some people are completely comfortable with the lies they tell themselves. This book shows complete disregard for those people. Some say true love is a fantasy. They are simply admitting that they are too selfish to truly experience love. It doesn't have to be this way. Don't give up on love just because you can't figure it out. At least not until you take one more look. Read this book.
