New Epoch Books, United States, 2014. Paperback. Book Condition: New. 226 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.Book Three of our Creation Story provides solutions. Our hope for the future resides in the unexpected, in the irrational, in the intuitive. Mostly, our hope comes from faith in the human capacity to find a way through, to be brilliant when circumstances require brilliance. In our story the Universal Organizing Principle is the absolute nature of reality arising as pure consciousness, intelligence, function, and beauty, which appears in objective form as all manifest things, including whales, birdsongs, human children, stars, bees and primrose flowers. We are standing on a precipice that will destroy us unless we act brilliantly, now! The Ecological Epoch shows us how to do so-that is, how to recreate a healthy relationship with the Earth and with all Nature s creatures. Spirit, Eros and Climate Chaos have left us facing two possible outcomes to our current destructive behavior. The first is a proactive, graceful transition into an Earth-honoring sustainable way of life; the second, economic collapse from weather anomalies, agricultural disruption, rising seas, scarcity of clean water, and radioactive toxicity-all creating innumerable environmental refugees, social chaos and human demise. No matter which scenario eventual holds sway, the end result will be a worldwide culture that has dramatically changed its appreciation for the Earth s living systems and biological functioning; we will have completed the recently begun journey into the Ecological Epoch-changing our relationship with Nature from ignorance to a reorientation based on respect and reverence. Will the transition needed to integrate this new consciousness into our collective behavior be graceful or traumatic? That is the issue of our generation s short existence here on Earth. A bold and brilliant analysis of the...
