Modelling in Public Schools (Classic Reprint) (Paperback)

By Walter Sargent

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Modelling in Public Schools Among the manual occupations which are of value in training the mind to think definitely in terms of form, and the hands to express readily the ideas of the mind, modelling in plastic material is one of the most effective. A clear understanding of form lies at the foundation of progress in most of the fine and industrial arts. This understanding is gained most surely and quickly when the student shapes form with his own hands. This knowledge develops power to draw because it gives the sense of construction which must exist if a drawing in two dimensions is to represent an object which exists in three. Modelling in the round is representation in three dimensions and closely related to the actual object. It naturally precedes drawing, which is representation of three dimensions in terms of only two. Modelling, therefore, is the most effective training known for developing ability to understand and delineate form. Modelling in the round is drawing in three dimensions. Young children who at first show no aptitude...

Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
