Excerpt: .without very clearly understanding what Annie wanted with him. What is this? That is ice. So Mary said, and I knew it without being told. But I want to know how it is that there can be any ice in such a warm noom as mine is? That s what I don t understand. Very well, then. In the first place, do you know what ice is and how it is formed? Annie was just about to answer Yes, but she stopped to think before she had got the word out, and she was forced to own to herself that she did not know at all. I can guess your answer, said Paul, with a smile. You do not know. Annie lowered her eyes. Well, I ll explain to you some other time. Ifl stop to do it now I may be late for...
