Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.From the Pacific to the Atlantic by the Lincoln Highway, with California and the Virginias and Maryland thrown in for good measure! What a tour it has been! As we think back over its miles we recall the noble pines and the towering Sequoias of the high Sierras of California; the flashing water-falls of the Yosemite, so green as to be called Vernal, so white as to be called Bridal Veil; the orchards of the prune, the cherry, the walnut, the olive, the almond, the fig, the orange, and the lemon, tilled like a garden, watered by the hoarded and guarded streams from the everlasting hills; and the rich valleys of grain, running up to the hillsides and dotted by live oak trees.
